

Welcome to the big International Haidakhandi Guru Purnima Celebration 2024!

20 years of European Guru Purnima & 40 years of Babaji's Maha-Samadhi

We are looking forward to celebrate this special Guru Purnima together again with you at Schweibenalp, the Siddhashram and Center of Unity. Guru Purnima is celebrated in India with the full moon in July, which is dedicated to inner guidance and manifests as an outer teacher, to show us the way from darkness into light. With the blessings of Sri Babaji, Sri Muniraji and the Divine Mother, we will celebrate with old and new devotees from all over the world for five days, with *Aartis* and *Pujas* (rituals), *Yagnyas* (fire ceremonies) and *Bhajans* (singing of devotional songs).

By coming together and sharing our memories, experiences and stories (*Satsang*), the Haidakhan family will be realigned and strengthened. At the same time, it is a time of purification and we strengthen our inner guidance of the Guru in our hearts. Babaji's love and direct guidance are so palpable!

The powerful surroundings of Schweibenalp support our spiritual practice: immerse yourself in the Giessbach, which has its source in the mountains and plunges into Lake Brienz in the waterfall directly behind the house, the pure air of the mountains and the silence of nature. There is time for that, too!

In addition to *Mantra Japa* (repeating the mantra like *Om Namaha Shivaya*), we also invite you to *Karma Yoga* (selfless action). With the help of a minimum of one hour of *Karma Yoga* per person per day, we can ensure the comfort of all visitors and the entire Haidakhan family!

Let us come together in Simplicity, Truth and Love!

Start: July 17, 2024 with dinner at 18 h, End: July 21, 2024, after lunch

Extra program: Meeting of representatives of all European and International Babaji ashrams, centres, temples and groups

From July 16-17 all representatives from all Babaji ashrams, centres, temples and groups meet, to exchange insights and best practices on how to strengthen the field of Babaji worldwide. (Start with dinner and Aarti on the 16th and program from 10 to 17 h on the 17th).
